- Kathy is in the process of establishing written uniform procedures for all PTO events as well as guidelines for event chairs so that this information can be passed on year to year. This information would include how to handle food allergies, expenses, invoices, permitting, etc.
- The beautification project that Mr. Grupka started has hit a snag since the banners & decals they were hoping to have made, are all very expensive. Less costly sourcing options are being investigated.
- Bathroom passes have been disappearing & breaking, so the Buildings & Grounds Team is making new plastic, stamped passes.
- Middle School construction has been pushed back 4 years due to construction delays caused by the new stadium being built. The only work currently being done is the additions to the elementary schools to accommodate the incoming Pre-K classes.
