If You Miss the Pre-Order Date:

You can still place a late order but the pre-order code will be inactive. You will need an individual online code for your student. In most cases this will be the school issued Student ID# with the first letter of the school. Late orders will be mailed to your home with a \$6 shipping fee.

Example: J10032020

Usted puede solicitar ordenes atrasadas pero el codigo de pre-orden estara desactivado. Usted necesitara un codigo en linea individual para su estudiante. Este sera el numero de identificacion de su estudiante con la primera letra de la escuela. Las ordenes atrasadas seran enviadas a su hogar con un costo de envio de \$6
