Attendees were actively engaged in

- Science
- Technology
- Engineering
- Art
- Math

**March 12, 2024**

# Students Use Math To Create RC Racetrack City

OPMS students created a model city race track at 1:64 scale.

Students scaled buildings and landmarks down to the size of RC race cars.

Paint and printouts were used to make the models look realistic.

Students were able to drive their RC cars through the track in a first person point of view from the driver seat of the car using cameras that snap on to the cars and augmented reality goggles.

**March 12, 2024**

# Superintendent's Conference Day

On Friday, March 8, faculty and staff participated in an exciting day of professional development.

Classes included, but were not limited to:

- Building positive relationships with students
- Fostering inclusive environments for students with food allergies
- Increasing student voice
