Calendar Update

- OPHS change in Regents Schedule in June 2025
 - No exam on June 4 or June 10, 2025
 - Exam is now on June 11, 2025
 - This will be updated on-line, along with all changes to our calendar throughout the year.
- Reminder of how our calendar is developed:
 - **Elementary** - The District, per contractual requirements, schedules the mandatory 180 school days per New York State at the start of the year.
 - If there are any emergency/snow day closings used throughout the year we add the number of days we used to the calendar at the end of the school year.
 - **Middle and High School** - In grades 6-12, due to the Regents Exam schedule and calendar, we have additional days built in above the 180 each year so in most cases it is not necessary to add additional days back at the end of the school year.
